2021 - Achieving our Mandate

MPSA Mandate:

To ensure that all players have an enjoyable soccer experience, whether at the recreational house league or competitive level.

To provide the opportunity for soccer players, coaches and officials to develop their talents to their fullest potential.

To organize teams to participate in leagues and competitions at the most challenging level possible, whether local, Provincial, National or International.

To provide the opportunity for interested individuals and organizations to participate in the MPSA programs.

To promote and develop the game of soccer, both indoor and outdoor, while encouraging fair play and good sportsmanship.

An Enjoyable Soccer Experience

- Ensuring that every child feels welcome and valued as a member of MPSA.
- Working with Coaches to set expectations around “experience” rather than “winning”.
- Working with Coaches to ensure players are in the correct environment for success.
- Meetings with parents to ensure their particular child is supported and any issues resolved.
- Allowing players to use facilities to create excitement (ex: distribution of kits; watching game videos.)
- Working with NLSA on referee seminars and courses for our Youth.
